Elder Care: What You Need to Know and How to Prepare

Bev Moir, Sr. Wealth Advisor, ScotiaMcLeod Head Office Branch and Audrey Miller, MSW, RSW, CCRC, Founder and Managing Director, Elder Caring Inc.

As members of the Sandwich Generation, many of us find ourselves having several responsibilities — looking after our children, looking after ourselves, and looking after our parents or other aging relatives.

The focus of this breakfast seminar is to provide information and resources that are available to help with care-giving responsibilities for aging parents and relatives. We will discuss the current realities and give practical advice for preparing for the future – that of our aging parents and for ourselves!

Location – Ratcliffe Room, Scotia Plaza 63rd Floor

Timing - 7:30 buffet breakfast, 8:00 seminar, and 8:55 finish
